

Moore Royal Celebrations!

- Moore's Beta Club finished this year as a National Beta School of distinction.
- Our Girls' Basketball team won its second consecutive division title.
- Students participated in virtual PBLs, two musical performances, a virtual holiday concert, Spring concerts, Honor's Night, publishing our first digital school newspaper, Televising Moore Meals and Munchies, and having the Memorial Garden tribute to the fallen soldiers of Prince George County.
- After a rocky start, Moore's student drop off and pick up has been compared to that of Chick Fil A, and many say we are better!

Thankful to be a Royal!

This year brought challenges like no other, and we are thankful to have the opportunity to work with some of the greatest kids you'll ever find!

We are also so thankful to have some of the greatest teachers at Moore. It is because of their selfless dedication, we were able to have so many "Moore" celebrations. The following video highlights these wonderful events that occurred at Moore this year, and we are so very thankful to all of those who helped make them happen.

Ready to Be a Royal!

For years, Moore Middle School had the tradition of selecting a theme for each year. Last year's theme was: I'mPossible II: Finish the Mission. We are glad to say that that mission is finally completed!

Moore Middle School recognizes the important role it has with establishing the pride that aligns with being a Royal in Prince George County. So, we have decided not to have a theme for next year, but a motto. The motto is: **Ready to Be a Royal!** This motto will carry on from year to year. Our goal is to develop on what the elementary schools started and continue to prepare each and every student to be their best. At Moore Middle School, we are **READY TO BE A ROYAL!**
